

Application No 10/729,076
Amendment dated SEPTEMBER 15, 2006
Reply to Office Action dated August 23, 2006

REMARKS

Applicants have carefully reviewed the Office Action dated August 23, 2006. The Office Action stated that two distinct inventions, 3 species, and 4 subspecies had been identified. Election of species was requested. Applicant elects Invention I, corresponding to claims 1-40 and 44 without traverse. In response to the Species election, Applicant elects Species I corresponding to Figs 1-3 and Sub-species b corresponding to Fig. 5. Claims 1-8, 10-15, 19-21, 24-29, 33, 34, 38-40, and 44 read on the elected species. The Listing of Claims reflects withdrawal from current consideration of non-elected claims 9, 16-18, 22, 23, 30-32 and 35-37, and cancellation of claims 41-43 which the Examiner indicates were directed to a distinct invention. Applicants respectfully submit that at least independent claims 1, 10, 24, 39, 40 and 44 are generic.

Examination of the above-identified claims is respectfully requested. If a phone conference is believed necessary to resolve any outstanding issues with respect to the above discussion, the Examiner is respectfully requested to contact the undersigned attorney.

Respectfully submitted,

LAWRENCE WASICEK

By his attorney,

Date: September 15, 2006
